

Each Scientific Step
We Care

3rd **Scientific Meeting** on **Hip & Knee** Orthopedics

September, **27th & 28th, 2019** | Cork - Ireland

PROGRAMME

Friday
Morning

TOTAL KNEE REPLACEMENT

PRIMARY HIPS

Friday
Afternoon

8:30 Welcome

Opening address *François Bopp*
Welcome Speech *Karrupiah Mahalingam*
Topics and Lecturers *Sébastien Lustig*

8:45 Sub Vastus Lateralis Approach

Mod: Sébastien Lustig

Principles Of Sub Vastus Lateral Approach and Primary Results *Yves Vanderschelden*
Why Did I Choose The Sub Vastus Lateral Approach ? *François Daubresse*

Discussion

9:15 TKR

Mod: Laurent Galois

Indications and Strategies in Revision TKR *Sébastien Lustig*
Why Did I Choose PSA? *Cédric Sabatier*

Discussion

TKA in patients with rheumatoid arthritis, challenges and solutions *Stanislav Bondarenko*
Cost-effectiveness for full PE tibial components in TKRs *Hervé Hourlier*

10:05 Coffee Break

10:35

Gap Balancing and Correct Alignment. Can we always expect an optimal combination? *Joan Leal*

10:50 Controversies

“Mini-Battles”...

TKR in primaries: CR vs. PS?... *Joan Leal*
Fixed Bearings vs. Mobile vs. Full PE?... *Yves Vanderschelden*
Is there a room for Rotating Hinged? *Hervé Hourlier*

When do you resurface the patella: always, sometimes, never ?... *Karrupiah Mahalingam*
Laurent Galois
Sébastien Lustig

11:40 The Use of OrthoWave

Live Demo: How to set up a scientific lecture from any OW database in...15 minutes ! *Jean-Alain Epinette*

Questions and Answers

12:05 Back home messages

Franck Dujardin

12:20 WORKING LUNCH

14:00 THR : Approaches

Mini-post *Stefan Procyk*
Bikini *Karrupiah Mahalingam*
Hardinge *Franck Dujardin*

Discussion

14:40 International European Trends in THRs

Mod : Julien Girard

Peculiarities of THA in unreduced fracture-dislocation of the hip: The Ukrainian Experience *Stanislav Bondarenko*
THAs in Ireland: what's up nowadays? *Karrupiah Mahalingam*
Trochanteric hip fracture ; internal fixation vs. arthroplasty ? *Laurent Galois*
Return to Sports Activities after Hip replacement in young patients: what and when ? *Julien Girard*

15:30 Coffee Break

16:00 Guest Lecture

From a “salvage procedure” in the past to “Dual Mobility for all patients” nowadays?... A long way to go with DM cups: Why and How ?

André Ferreira

16:30 Controversies

“Mini-Battles”...

Short Stems in Primaries: Never? Sometimes? Always?... *Julien Girard*
Franck Dujardin

PE liners: Regular? HXLPE annealed? HXLPE-VitE ? ... *Laurent Galois*
André Ferreira
Karrupiah Mahalingam

17:10 Closing remarks

What have we learned today ?... *Sébastien Lustig*
Laurent Galois

17:15 WORKSHOP

PSA Revision Knees
Umotion Liberty UTF : Hips *United Staff*
XUC PS MBC in Primary knees

18:15 END OF SESSION

Saturday
Morning

9:00 Techniques & New Trends

Mod: Laurent Galois

9:00	Support of Current Technology in Orthopedic Surgery	Sebastien Lustig
9:08	Perseus: Find the Right Axis	Simone Bignozzi
9:16	Discussion	

9:30 Guest Lecture

Robotics in Total Knee Replacement: Principles, FDA IDE Current Experience and Future Perspectives	Yair Kissin
--	-------------

9:56 Coffee Break

10:25 Fast Track and Outpatient Surgery

Mod: Karrupiah Mahalingam

Main Principles in Fast Track and Outpatient Surgeries	Jerôme Villeminot
Our Experience of Fast Track at University Hospital of Namur (Belgium)	Thibaut Libert Tanguy Ferrand
Discussion	
Short to mid-term experience of complex acetabular reconstruction with a 3-D printed custom tri-flanged implant	Jamie Griffiths
Disposable ancillary devices in Joint Replacement	Benjamin Lefebvre
AFMC: Humanitarian support in Cambodia	Benoit Lebel

11:35 The United European Academy (UEA)

Principles, Means Of Action And First Clinical Results & Findings of the UEA	Jean-Alain Epinette
--	---------------------

Questions and Answers

11:50 United Partners

Navi Power By Process Implants	Jean-Pierre Py
Optimization of The Miro Application "Artificial Intelligence"	Simone Bignozzi

12:15 Final Remarks

Conclusions and Taking Home Messages

**Karrupiah Mahalingam
Sebastien Lustig**

12:25 Closing the congress

Thanks for attending 😊!

François Bopp
